Summary

ATC Healthcare Services, Inc. (ATC) was established in 1982 in Riverdale, Georgia to provide 24-hour staff relief to healthcare facilities and is directed by staff members whose personal commitment to quality allows them to offer distinctive and superior situational staffing services. ATC's focus is developing a partnership with clients to enhance quality care and cost effectiveness based on identification, understanding, and commitment to mutual goals. We want to be your partner in providing quality healthcare to your patients. ATC is not just another staffing agency. We are pioneers in the strategic sourcing and management of medical temporary personnel. We have established an outstanding reputation in the industry by identifying the specific staffing requirements of the healthcare providers we serve and matching these requirements with the Healthcare, who have the appropriate training, credentials, and experience. We will never lose sight of the fact that we are here to provide a flexible, customized service and to help our clients utilize ATC as a positive and beneficial means for cost containment. Our clients include: hospitals, clinics, nursing homes, insurance companies, physicians, school systems, industry, government, and correctional facilities. We help provide all of our clients with cost-effective solutions to staffing challenges on a national basis
