ATC Physician Services, an ATC Healthcare company, is a nationwide leader in providing hospitals, medical practices and government healthcare facilities with experienced physicians to meet both short and long term locum tenens staffing needs. Our company is dedicated to providing superior service through innovative solutions and a commitment to excellence. We are recognized for the relationships that we build with our valued clients and talented providers.

Our company was founded on a commitment to offer superior services to our clients by utilizing our experienced office team to find you the most talented physicians. This attribute can be found in the dedication each of our team members exhibit when finding a provider or booking an assignment with a client. Our number one goal is to build strong, long lasting relationships with our clients and providers through ethical behavior, hard work and dedication.

Working closely with our sister company, ATC Healthcare Services, the ATC companies are poised to handle all of your locum tenens and allied and nurse staffing needs. Since 1982, ATC has been growing and providing "staffing wherever healthcare is provided" through our nationwide network of offices. The ATC team is a group of innovative people dedicated to providing the highest quality staffing service and solidifying the reputation for excellence you'll come to expect from ATC Physician Services and ATC Healthcare Services.
