The role of a school nurse is vital in today's world. The vision and mission of our department is to promote the health and wellness for all students and staff. A healthy student is a learning student. Our theme this year is to "CONNECT". Let us connect to students so that they are inspired to be lifelong learners. If you have any questions or concerns please call me at 379-2187 or email [tunderwood@jefcoed.com](mailto:tunderwood@jefcoed.com). See you in August.

Serving our students,
